MARRIOTT Endorses RHW MANAGEMENT as a 3rd Party Manager

Overland Park, Kansas (November 23, 2009) --- Marriott has announced its decision to endorse RHW Management, Inc. as a 3rd Party Manager for all of its Limited and Select Service Brands. This decision comes after Marriott recently revised the criteria by which a company must perform in order to partner with them as a 3rd Party Manager.

RHW Management has been a trusted franchisee of reputable hotel brands such as Marriott and Hilton for over 27 years. However, for this new endorsement, Marriott is requiring higher-level performance benchmarks in areas such as guest satisfaction and market share to ensure confidence in investors of their Management company recommendation. Brands Marriott has endorsed for RHW are the collection of Marriott CFRST brands: Courtyard, Fairfield Inn, Residence Inn, SpringHill Suites, and TownePlace Suites.

“We have a lot of respect for Marriott and the power of their brands, so it is quite an honor for them to acknowledge the strength in our abilities as well,” said Richard Wiens, President of RHW Management, upon hearing the news.
